24.	<u>Replacement of Unserviceable Items.</u> If any item is found unserviceable or damaged during inspection at the consignee's premises, it must be replaced with a new serviceable item at the supplier's expense within 60 (sixty) days from the date of reporting and submission of the discrepancy report.	
25.	<u>Quality Assurance Certificate (QAC).</u> A Quality Assurance Certificate for both equipment and spares, issued by the manufacturer's quality control department, must be provided and handed over to BAF during the delivery of the equipment.	
26.	<u>Pre-Shipment Inspection (PSI).</u> A three-member BAF PSI team comprising 01 x Engineering Officer (M Stream), 01 x MTOF (MTF) and 01 x Medical Assistant will conduct a factory inspection of the equipment for 5 (five) working days. BAF will bear all necessary expenditures related to the PSI. The supplier shall arrange local transportation and handle all administrative formalities for the PSI team. Full cooperation and assistance are to be extended by the supplier for documentation review and physical inspection of the vehicle. BAF reserves the right to decide whether to conduct the PSI. The supplier must notify BAF of the intended PSI date at least 08 (eight) weeks in advance. The PSI will include the following: a. 100% visual inspection of the vehicle, tools, accessories, and relevant documents. b. Verification that all technical specifications conform to contractual requirements. c. Performance testing on 20% of the units, including road test, air conditioning, braking systems, etc. d. Verification of shipment documents and quality certificates for components sourced from third countries. e. Submission of engine test bench reports, duly signed and stamped by the manufacturer. f. Documentation of any major deviations in the PSI report, which will be shared with BAF.	
27.	<u>Quality Assurance in Absence of PSI.</u> If Pre-Shipment Inspection (PSI) is not conducted, a Quality Assurance Certificate (QAC) must still be provided by the manufacturer for the equipment, and by the principal or manufacturer for the spares.	
28.	<u>Compliance Responsibility.</u> Irrespective of whether PSI is carried out, all items and spare parts must be shipped and supplied strictly in accordance with the contract specifications. If any item is found non-compliant, the supplier shall be fully responsible for replacing it at their own cost, including all associated freight, insurance, and handling charges.	
29.	<u>Joint Post -Shipment Inspection.</u> A Joint Post-Shipment Inspection (JPSI) shall be conducted by the designated BAF team as per the contract and JPSI criteria. The inspection shall include the following: a. 100% visual inspection of the equipment, spare parts, SST, SSM, and publications to ensure compliance with technical specifications. b. Verification of brand, make, model, year of production, country of origin, and place of manufacture/assembly for the main equipment and major components. c. Performance and functional testing of equipment as per JPSI criteria. d. For components manufactured, shipped, or assembled in different countries, the supplier must present relevant shipping documents and original Quality Assurance Certificates (QACs), duly signed and stamped by the respective manufacturers, for verification by the JPSI team.	

30.	Rejection of Non-Compliant Items. If any item is found not in conformity with the contract specifications during the Post-Shipment Inspection, it shall be rejected. The supplier shall be obligated to take back the item at their own cost, including all associated freight, insurance, and handling charges.	
31.	Submission of Shipment Documents. The supplier must submit one complete set of necessary shipment documents to the Special Directorate (Directorate of Engineering), Air Headquarters, for record and verification of the equipment.	
32.	Rejection of Tampered Offers. Any tampered, altered, or manipulated offer shall be outrightly rejected without further consideration.	
33.	Warranty and Maintenance Support. The supplier shall provide a comprehensive warranty/guarantee for a period of 24 (twenty-four) months or 20,000 km of trouble-free operation (whichever comes earlier) from the date of acceptance of the vehicle by BAF. The warranty shall include the following obligations: a. Routine Maintenance. The supplier shall carry out routine maintenance during the warranty period, including the free supply of all lubricants and replacement of spares such as fuel, oil, and air filters. b. (1) 03 (three) x free minor servicing (2) 01 (one) x free major servicing These services shall cover both the vehicle and the installed medical equipment, including the free replacement of all necessary spares during the servicing. d. Replacement of Defective Items. If any component or equipment is found defective within the warranty period, it must be replaced with a brand-new, serviceable item at the supplier's expense, including both-way freight and insurance charges. Such replacement must be completed within 60 (sixty) days from the date the defect is reported to the supplier. e. Extension of Warranty Period. Any period of unserviceability exceeding 60 days due to failure of replacement or repair shall be added to the total warranty period accordingly.	
34.	Guarantee of Spare Parts Availability. The supplier shall guarantee the availability of spare parts for a minimum of 15 (fifteen) years after the expiry of the warranty period. A certificate from the Original Equipment Manufacturer (OEM) confirming this commitment must be submitted with the offer.	
35.	Availability of Urgent Spare Parts. The Principal/Manufacturer shall ensure that urgent spare parts are made available to the user within 30 (thirty) days from the date of placing the demand, subject to stock availability. In case the required spares are not readily available in stock, the principal shall initiate immediate priority action for manufacturing or procurement of the required items and ensure delivery to the user at the earliest possible time.	
36.	After Sales Service Support. After sales service must be available through the local agent of the supplier and shall be provided as and when required for an indefinite period. The service shall be free of charge during the warranty period and on payment basis thereafter. A guarantee certificate to this effect must be submitted by the local agent along with the offer.	
37.	On-Site Familiarization Training. On-site familiarization training on repair, maintenance and troubleshooting shall be conducted by qualified engineer or specialist (one or two as deemed necessary by the OEM) of the manufacturer or supplier for a group of BAF personnel in Bangladesh for 05 (five) working days or as deemed necessary by the OEM. Training will commence only after successful completion of the functional test and inspection. BAF prefers the training to be offered free of cost. If free training is not possible, the bidder shall quote the training cost separately, which will be included in the financial evaluation of the contract. For foreign specialists, the bidder shall bear all associated expenses including air tickets, accommodation, food, medical care, and transportation (both internal and external). Delivery schedule if mention in the tender specifications may be changed by DGDP/BAF due to delay in concluding the contract. In this case, the contract would be signed within offer validity period. DGDP/BAF also reserves the right to get the offer validity extended with the consent of the supplier.	
54.	The bidder is to mention Contract number on the Air way bill (AWB)/Bill of lading (BL) and commercial invoices and also cross linking between AWB/BL and invoices.	
55.	Part shipment: Not allowed.	
56.	Part payment: Not allowed except mentioned in the payment terms.	
57.	Payment Terms. 100% Payment in foreign currency will be made through an irrevocable Letter of Credit (LC) opened with scheduled bank in Bangladesh and negotiating bank recommended by the supplier under following terms and conditions: a. 80% of CFR/CPT value will be released on production of shipping documents to the bank. b. Rest 20% CFR/CPT value will be released on satisfactory acceptance of 100% items by BAF after inspection/functional test (as applicable), on production of Certificate Receipt Voucher (CRV) and written clearance from DGDP. c. 100% cost of training will be paid on completion of training and on production of training completion certificate signed by the competent authority of BAF.	
58.	AWB/BL must be in the name of consignee.	
59.	Bidders are requested to submit soft copy of financial offer in a CD according to the given proforma along with the hard copy of financial offer in closed envelope.	
60.	Compliance of tender terms & conditions should be mentioned in the offer by the bidder as per sequence above. Bidder is to provide appropriate information against each clause clearly (where necessary) instead of 'complied'/'not complied'. No contradictory/hypothetical sentence/word/(like, quote is subject to availability/prior to sell/subject to export license approval or words so) will be accepted by BAF.	
61.	If any line item/item qty decreases then freight charge will be decreased proportionately.	
62.	Any other terms and conditions not covered here will be as per DGDP rules and regulations.
