- e. Product should be free from defective/mixed fiber such as Viscose, Rayon etc.

4. Length of Thaan

- a. Minimum 50.0 meter each thaam before inspection.
- b. During 100% inspection, up to 9.90 meter thaam to be considered as multiple of 3.30 meter. Above 9.90 meter thaam defective portion has to be marked as rejected without cutting. Final quantity of the thaam to be counted and marked by deducting the rejected quantity.

5. **Marking (Thaan)**

- a. In case of central procurement name of the supplier, contract no & date, challan no with dt have to be printed clearly on the selvage and it should be printed twice in every one meter (Example: XXXX Ent, Cont. No-XXXXXXXXXXXX Dt. XX Dec 25, Challan-1/26 Dt. XX Jan 26).
- b. In case of local purchase name of the supplier, contract no & date, challan no with dt, **LP by COD** have to be printed clearly on the selvage and it should be printed twice in every one meter (Example: XXXX Ent, Cont. No-XXXXXXXXXXXX Dt. XX Dec 25, Challan-1/26 Dt. XX Jan 26, **LP by COD**).
- c. Both ends of a thaam to be marked of with 100% inspection's acceptance marks, length of thaam and the word "SENABAHINI" with indelible ink.
- d. Any colored stripe near the selvage of cloth will not be allowed.

6. **Packing.** Quantity of each roll is to be 125 to 150 meter and each roll should be packed in the following process:

- a. Each thaam should be rolled on a good quality paper tube and packed in polythene. Then wrapped with hessian cloth such Material: Jute, GSM: 250 ± 5 gm. Type of Weave: Plain, No of Threads/2.54 cm (Warp & Weft): 11/12 nos and B.S in kg (Warp & Weft): 50 kg.
- b. One edge of hessian cloth to be stitched and other edge of hessian cloth to be tied with twine jute.

7. **Marking (Roll)** One side of the roll to be stenciled with nomenclature of store, contract no with dt, I/note no, date and total quantity of cloth and other side to be stenciled with the name of Consignee, Roll No & Firm/Textile factory's Name.8. **Samples**

Sample Type	Quantity/Remarks
Tender Sample	10 (Ten) Meter printed cloth to be submitted as tender sample
Advance Sample	10 (Ten) Meter printed cloth to be submitted as advance sample with 02 (Two) Meter packing material of hessian cloth.
Advice Sample	10 (Ten) Meter printed cloth to be submitted as advice sample
BR Sample	01 (One) Meter sample per 1,000 meter of each challan to be collected as BR sample for lab and visual test/inspection.

9. **Warranty/Guarantee** The warranty/guarantee period of the store will be 20 (Twenty) months from the issue of Inspection Note by IGS&C. In this regards the manufacturer/supplier should provide a warranty/guarantee certificate regarding durability of the supplied stores. If supplied stores found defective within 20 (Twenty) months during storage and practical use (Under normal use with standard maintenance) then defective cloth to be replaced by the manufacturer/supplier at their own cost within 30 (Thirty) days as the case arises.

RESTRICTED

10. **Test Report and Quality Control Certificate by Supplier.** Supplier has to provide fabric/product test report (for tests mentioned at ser 1- 3) from any reputed testing organization (e.g. Intertek, SGS, Bureau veritas etc) along with advance sample and subsequent each challan. Supplier should also certify that they have carried out a comprehensive quality inspection at their end and they are fully confirmed and satisfied according to the points as mentioned below along with each challan:

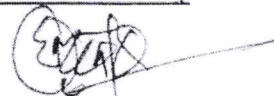

- a. Products are produced/manufactured as per specification.
- b. Products are tested/inspected as per the specified tests mentioned in this specification and found correct in all respect.

11. **Special Condition.** There should be an agreement between supplier and manufacturer where supplier will manufacture product from a specific factory (Maximum three factories can be nominated by the supplier to avoid unforeseen situation for which the primarily selected manufacturer or factory owner by the supplier may not be able to run the factory/machineries; i.e natural disaster, unavoidable mechanical failure of machines etc) and submit with Tender. Later the supplier will produce 100% product from the same factory. The supplier must submit one copy of this agreement initially at DGDP. The supplier will submit the final agreement on stamp between supplier and manufacturer to DGDP while contract is being processed with DGDP.

12. **Eligibility of Supplier to Participate in Tender.** Local manufacturer/supplier having the capability to manufacture/supply both the Grey and Combat Printed Cloth are allowed to participate in the tender.

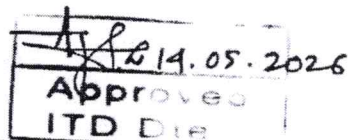

13. **Inspection.** 100% inspection will be carried out for all contracts.
