1. **Eligibility clause.** The bidder must be the manufacturer or designer of the tendered items or authorized by the manufacturer for supplying of spares of flying helmet (type HGU-55/P & HGU-55/PJ) and Oxygen Mask (type MBU-12/P & HA/LP) or an enlisted firm by the Armed Forces Division (AFD), Prime Minister's Office, Government of the People's Republic of Bangladesh for supplying of spares of flying helmet (type HGU-55/P & HGU-55/PJ) and Oxygen Mask (type MBU-12/P & HA/LP). The authorized trading house or agent of the manufacturer or designer or enlisted firm by AFD may also participate in the tender on behalf of manufacturer or designer or AFD enlisted firm and authorization certificate to this effect in original must be submitted along with the offer.
 2. **Quotation of Items.** The bidder is expected to quote for 100% of the listed spares. Any bidder quoting less than 50% of the total spares may not be considered as eligible. Furthermore, once the contract is signed, the supplier cannot express unwillingness to supply of spares.
 3. **Shipping Documents and Airways Bill.** The bidder is to provide the name & address of manufacturer and country of origin of the individual item with their offer. Items or spares are to be supplied & shipped from OEM country. Certificate of shipping or Airways Bill in this regard are to be submitted along with the items.
 4. **Certificates and Documents.** The bidder is to submit the following along with the offer:
 - a. Name and address of OEM.
 - b. Authorization certificate from the OEM in favor of bidder to participate in the tender.
 - c. Authorization Certificate from the bidder in favor of local agent.
 - d. Original Equipment Manufacturer (OEM) certificate (where applicable).
- All certificates and documents submitted along with the offer must be in English and recently signed by the authorized executives of the firm. The validity of all these certificates or documents must cover the time required to materialize the contract.
5. **Condition of Items.** Items must be brand new, unused, defect free and manufactured not earlier than 2027. The items must be suitable for flying helmet (type HGU-55/P & HGU-55/PJ) and Oxygen Mask (type MBU-12/P & HA/LP).
 6. **Increase or Decrease of Items.** The list of the items is shown as Appendix-1. BAF would have the option to decrease or increase the quantity to be procured. However, the Bidder is not allowed to do the same after submitting the offer.

7. **Original Equipment Manufacturer (OEM) Certificate and Quality Assurance Certificate (QAC).** The bidder is to submit the OEM certificate and Quality Assurance Certificate during delivery of the items.
8. **Certificates and Logbooks.** The certificate or log book of the items must be in English with indication of calendar & operation life, storage life, preservation life and warranty (wherever applicable).
9. **Warranty Period.** The Warranty period of the items should not be less than 01 year from the date of acceptance by BAF.
10. **Preservation and storage period.** Storage or preservation period of the items should be as per the manufacturer or OEM policy and the bidder is to mention the preservation period in the offer. The bidder is also to submit supporting documents from manufacturer or OEM in this regard.
11. **Quotation of Prices.** The bidder is to quote the unit price of each item in US dollar, mentioning unit cost and freight charges of each separately.
12. **Period of unserviceability.** Any discrepancy found during pre-receipt inspection or within the warranty period is to be replaced with new one by the supplier within 60 days from the date of reporting the defect to the supplier, at their own expenses (including both ways freight and insurance charges). The period of unserviceability more than 60 days will be added to the total warranty period.
13. **MOV & MOQ.** The bidder may mention minimum order value or quantity in the offer (if any). Non-compliance of any clause after final acceptance is not acceptable. However, Air Headquarters reserves the right to reject or cancel the offer of the bidder at any stage.
14. **Delivery period.** Delivery of items should be made within 300 days from the date of signing of the contract.
15. **Packaging of Items.** Items must be packed and supplied in standard sea or air worthy packing with sealed condition while delivery.
