REQUEST FOR EXPRESSION OF INTEREST AGAINST UPGRADATION OF AMMUNITION LABORATORY

Reference:

A. Army Headquarters, Master General of the Ordnance Branch, Ordnance Directorate letter number 23.01.901. 047.03.011/40.1E.04.08.26 dated 04 August 2026 (Not to All).

1. In light of above Reference, please be informed that, Bangladesh Army intends to enhance the capability of its existing ammunition laboratory by upgrading its testing, analytical, inspection and shelf-life extension capability. The upgraded ammunition laboratory should have (but not limited to) following capability:

- a. Visual and dimensional inspection of ammunition components.
- b. Identification of propellants, explosive and pyrotechnic materials.
- c. Extension of shelf-life of ammunition.
- d. Refurbishment of artillery and tank ammunitions.

2. Accordingly, you are requested to submit your offer (catalogue/brochure, books and publications etcetera) directly to Army Headquarters, Master General of the Ordnance Branch, Ordnance Directorate (orddte.ados.os3@army.mil.bd) by **31 August 2026** fulfilling the requirement mentioned below:

- a. Capability assessment of the existing laboratory.
- b. Recommend solutions to enhance laboratory performance and testing capability.
- c. Supply, install, integrate, calibrate and commission advanced laboratory equipment.
- d. Upgrade existing laboratory infrastructure where necessary.
- e. Provide training for laboratory personnel.
- f. Develop standard operating procedures and maintenance plans

3. Forwarded for your information and necessary action please.
